BRISTOL — The Bristol and New Britain offices of the Human Resource Agency and Journey 2 Wellness are hosting a “community networking event” Wednesday for people in the area who are living with HIV and AIDS.

The first-of-its-kind event is

geared toward providing people in Bristol, New Britain and Middletown with support from peers who are also dealing with HIV and AIDS.

The goal is to allow people who are already in treatment to share their experiences to help others navigate care and services.

The free event is running

from 12 to 2 p.m. at HRA Bristol, 55 South St., Bristol. A light lunch will be provided.

Journey 2 Wellness is a 12 step, 12 month support group for people with HIV and AIDS. The public is invited to attend.
