All applications submitted by mail must be postmarked by May 29, 2026, to be evaluated for program eligibility. **These are not entitlement programs.**

You have the right to have a determination notice postmarked within forty-five (45) calendar days upon receipt of your application by a CAA (excluding state designated holidays). If you do not receive a determination notice within forty-five (45) calendar days, call the CAA where you applied.

You have the right to a desk review if: you have been denied assistance; you are not notified of a decision within forty-five (45) calendar days; or you are refused some, or all, of your benefits. Any desk review request must be made in writing to the energy office in which you are making this application. Requests for desk reviews must be submitted within sixty (60) days of the decision, or by September 30, 2026, whichever comes first.

If you are dissatisfied with the results of the desk review, you have the right to a fair hearing. **ELIGIBILITY**

Eligibility for benefits is based upon the household's total gross annual income and household size. Benefits are available for households whose income does not exceed 60% of the state median income, i.e.:

Household Size	1	2	3	4	5	6	7	8
Annual Income	\$47,764	\$62,460	\$77,157	\$91,854	\$106,550	\$121,247	\$124,002	\$126,758

You must establish income eligibility by providing proof of income for all household members, specifically:

- **Employment Income:** Provide income documentation from the 30 days prior to the date of application or from four (4) consecutive weeks within the three months prior to the date of application.
- **Self-Employment Income:** Provide six (6) or twelve (12) full calendar months' income documentation and the most recently filed IRS Form 1040 (with all appropriate Schedules, including C, D, E, SE, K, etc.).

Any household which makes direct to vendor payments for heat and in which all household members participate in one or more of the following assistance programs are considered "categorically eligible" and will be not required to provide proof of income, which will determine which level of assistance a household will receive.

1. Temporary Family Assistance
2. State Supplement to the Aged, Blind and Disabled
3. Refugee Cash Assistance Program
4. Supplemental Nutrition Assistance Program (SNAP)
5. Supplemental Security Income (SSI)

Although categorically eligible, households must meet all other program requirements to receive benefits. If you are determined eligible, your household will be notified in writing.

If the household includes members who are not categorically eligible, only those members will be required to provide proof of income. However, the household's application will not be considered complete until the required income verification is provided for non-categorically eligible members.

### **DELIVERABLE FUEL HEATED HOUSEHOLDS**

To be eligible for energy assistance, bills must be in the name of the applicant, a household member who is eighteen years of age or older, or a household member who is an emancipated minor. The CAA may authorize deliveries on your behalf. All deliveries authorized by the CAA will be paid up to your benefit amount. Deliveries must be made to the service address that is listed on the energy assistance application.

**If you are determined eligible and are in need of a fuel delivery, contact your local CAA to request an authorization for delivery.**

Automatic delivery or obtaining fuel on your own behalf is permitted as long as it is within the above-stated program dates, is delivered by an approved vendor, and funds remain in your benefit award. However, **payment can only be guaranteed if the delivery is authorized by the local CAA.**

**Automatic delivery customers must notify their oil vendor of their eligibility to ensure payment for deliveries made on their behalf.**

Deliverable fuel households who wish to receive reimbursement for heating bills paid during the program year must provide deliverable fuel bills that document all information above and must be for deliveries made within the identified program dates. Reimbursement for client-paid bills will only be made from a household's basic benefit and will be paid to the household's fuel vendor. Bills must list the delivery date, retail price per gallon and the number of gallons delivered.

You have the right to select a fuel vendor from the available list of approved fuel vendors. You may also change vendors during the energy assistance season at your discretion, so long as the chosen vendor is on the approved vendor list, maintained by the Department and kept by the CAA.

Vendors cannot charge you the difference between their retail price and the price determined in accordance with their supplier/vendor conditions of participation form.

### **BASIC BENEFITS**

If you are determined eligible, your household will be approved for a basic benefit. Your notification of eligibility will identify the amount of the basic benefit. If your household has a member who is elderly (age 60 or over), disabled or under six (6) years of age, your household will be considered to be **vulnerable** and will be eligible for a higher basic benefit.

**Any heating costs incurred outside the identified periods, exceed your benefit award, or after funds are exhausted, are your household's responsibility.**

### **CRISIS ASSISTANCE (DELIVERABLE FUEL HEATED HOUSEHOLDS ONLY)**

Should you exhaust your basic benefit, you may be eligible to receive crisis assistance benefits of up to **\$425**. During the program year, all eligible households may receive up to three Crisis Assistance benefits. **If you are determined eligible and are in need of a fuel delivery, contact your local CAA to request an authorization for delivery.**

### **UTILITY HEATED HOUSEHOLDS**

You must provide a current utility bill (gas or electric), or a copy of a bill for your primary heating source. The bill must be in the name of the applicant, a household member who is eighteen years of age or older, or a household member who is an emancipated minor. The bill must be for the service address that is listed on the energy assistance application.

**Payment will be sent directly to your utility company.** Should the basic benefit exceed your utility charges for service incurred from November 1, 2025 – May 31, 2026, the excess benefit shall be refunded to DSS.

### **HOUSEHOLDS WITH HEAT INCLUDED IN THE RENT (RENTAL ASSISTANCE)**

This benefit is provided to those qualified households where heat is included in their rent payment and owner-occupied dwelling units that do not have their primary source of heat individually metered or separately billed to their household. If you are determined eligible, your household will be approved for a rental assistance benefit. Your notice of eligibility will identify the amount of your rental assistance benefit. The rental assistance benefit will be sent to your household in the form of a check you must cash or deposit the check within **90 days** from the date of issuance.

### **OTHER**

Please note that non-qualified aliens are not eligible for federally funded CEAP benefits. Applications for households that include both non-qualified aliens and citizens/qualified aliens may be processed. However, any non-qualified aliens will not be included in the count of the household size, although their income will be counted.

If you are determined eligible, you may request a clean, tune and test (CT&T) of your heating system. You may also receive assistance if you are a homeowner and your heating system, and/ or oil tank is inoperable or unsafe. Please contact your local CAA for more information.

Persons who misrepresent their circumstances when applying for energy assistance are subject to prosecution and/or repayment of any benefits provided, following the completion of an investigation and final determination by the Department's investigations division, and are prohibited from participation for the remainder of the current program year and for the two program years following the year in which the misrepresentation occurred.

Households whose primary heat is a deliverable fuel, or natural gas must provide a copy of the current electric bill unless it is verified that the bill is in the landlord's name.

Information regarding your application may be provided to another CAA for the purpose of providing weatherization services. Information that you provide during the eligibility process may also be provided to other programs operated by the CAA, DSS, or the Connecticut Department of Energy and Environmental Protection (DEEP), for the purpose of verifying your eligibility for DSS-administered or DEEP-administered programs, to comply with federal or state reporting requirements, or to connect you to additional services. In addition, information may be provided to the U.S. Department of Health and Human Services, the U.S. Department of Energy, or any of their duly authorized representatives for the purpose of review, audit, or evaluation. Your deliverable fuel vendor, and your electric company may be required to provide energy consumption information to assist in determining the energy burden of your household.

Your household may also qualify under Connecticut law for the Winter Protection Program. If so, your electric service may not be disconnected between November 1, 2025, through May 1, 2026. Contact your electric company for more information.

Should you have additional questions regarding assistance, please contact your local CAA.
