APRIL: FINANCIAL LITERACY MONTH

Tax season draws to a close on April 17, but HRA's financial counseling and coaching services remain open all year. Project Reinvest helps low-income people stabilize finances, rebuild credit and establish savings with workshops, assessments, budget planning and action plans.

Financial Literacy month shines a spotlight on the importance of education every day - every month.

With less than 2 weeks left, VITA volunteers have already prepared 4,489 tax returns in 2018 which will return \$8,629,290 in refunds to the communities we serve. [Learn More](#)

MAY: NATIONAL OLDER AMERICAN'S MONTH

Engage at Every Age - the Administration on Aging's 2018 theme - encourages participation in activities that enrich overall well-being. The Older Americans Act of 1965 helped make this possible for seniors with financial assistance and federal support for nutrition programs, transportation, homecare, adult day care, legal assistance and more.

HRA's Elderly Services provide transportation, homecare and nutrition that keeps seniors engaged and living independently every month. [Learn More](#)

JUNE 5: NATIONAL HIV LONG TERM SURVIVOR'S DAY

Antiretroviral Therapy has slowed the death rate for those living with HIV, but 37 years later the epidemic is still not over.

Whether we are serving the newly diagnosed or the long term survivors, HRA's Health & Wellness staff is reminded of this every day.

June 8 is the local day to celebrate with HRA as we hold our 1st annual HIV Survivor Soiree fundraiser in honor of all long term survivors.
